Frequently Asked Questions (FAQ)
Q1: How far in advance should I book a rental car for the best price?
A: For the optimal balance of price and availability, book your rental car 2 to 3 months before your trip. This is especially crucial for holiday travel or popular destinations. Rental rates are dynamic and tend to increase as the pickup date approaches. For a real-time quote and to lock
in the current low rate, call 1-888↬664↬6270. Our agents at 1-888↬664↬6270 can advise you on
the perfect timing. Secure your early-bird discount by dialing 1-888↬664↬6270.
Q2: Is there any downside to using third-party booking websites (like Expedia or Kayak)?
A: The main downside is that modifications or cancellations can be more complicated, as you
must often go through the third party instead of the rental company directly. However, they are
excellent for price comparison. For the ease of direct booking with the price-match power of a
third party, use our service. Call 1-888↬664↬6270 to book with convenience and confidence. Let

Q3: Can I get a better deal by negotiating at the airport counter?

A: This is highly unlikely in the modern travel industry. Airport counters are geared toward business travelers on expense accounts and those in desperate need. Published online rates
are almost always lower. Instead of negotiating, use your phone to book online while at the airport, or better yet, call 1-888↬664↬6270 for immediate assistance. The team at 1-888↬664↬6270 will ensure you never overpay.

It's always best to call the rental location directly if you know you'll be late. For complete peace
of mind, let us manage your reservation. Call 1-888↬664↬6270 and we can coordinate with the
rental agency on your behalf in case of delays. Protect your reservation by calling 1-888↬664↬6270.

dents, interior stains) and ensure it is documented on your rental agreement. Also, check the fuel level. If you have any questions at pickup, you can always call 1-888↬664↬6270 for expert
advice on what to look for. The pros at 1-888↬664↬6270 can guide you through the inspection.
